

# RYOBI ROUTER – MODEL NUMBERS R161

**WARNING:** Improper repair of a double insulated tool can result in damages to the double insulation system possibly causing electrical shock or electrocution. Any repairs requiring disassembly of your tool requires safety testing and should only be performed by a Ryobi Authorized Service Center. For the service center nearest you call 1-800-525-2579 in the United States or 1-866-897-9624 in Canada.

## RYOBI ROUTER – MODEL NUMBERS R161

The model number will be found on a plate attached to the motor housing. Always mention the model number in all correspondence regarding your **ROUTER** or when ordering repair parts.
